RESUME OBJECTIVE

Frontend React Developer with over 10 years of experience as web content manager in diverse web projects, including personal blogs, entrepreneurs' websites, and non-profit platforms using WordPress. Proficient in JavaScript frameworks, HTML/CSS, and Git, I like solving challenges and have a keen eye for creative design. Eager to contribute to an organization focused on using technology for the enhancement of people's daily lives, prioritizing the welfare of its employees, and with environmental responsibility.
